

# Newlands Adventure Centre

## Visitors Charter

### **SMALL STEPS TO A BIG CHANGE !**

Newlands Adventure Centre has made the decision to do what it can to reduce the impact the business makes on the environment. Now we ask that our visitors do the same and below are a few easy small steps that everyone can do which will help make a very big difference:

- Rubbish !! :** At Newlands Adventure Centre we recycle most of the waste we produce. You can help by using the recycle bins, placed around the centre and picking up any litter you see and disposing of it in the correct bin.
- Switch Off :** All the lighting in the centre is low energy but you can help save even more energy by making sure all lights are switched off when leaving a room. Heating can be also be switched off in the rooms when there is no one in them and please never leave electrical equipment on standby.
- Water, Water:** Please be sensible with water and while we have push taps fitted, please be quick in the shower and if a tap is stuck on, gently pull the top upwards then report it to the office.
- Out and About :** The Lake District is a stunning area and we want to keep it like that. Please do not drop any litter and pick up any you find. Please respect the wildlife, plants and waterways around us and there are plenty of leaflets and information on our Nature Board about the fauna and flora of the area.
- Local Support :** Newlands Adventure Centre supports the local community by organising and attending events and supports many local businesses by buying goods and services from them. We ask that you do the same and help keep our community alive. You can find plenty of local information on the leaflet board, under the stairs.
- Getting There :** Newlands Adventure Centre has a Transport Policy that encourages everyone to leave their car (or minibus) in the car park. Activities are programmed to minimise the use of vehicles, so why don't you leave the car behind and walk? You may even enjoy it and you'll get fitter !!
- And Finally :** Have a wonderful time at Newlands Adventure Centre and be proud to be part of a small campaign that helps make a BIG difference.
